

International Conference of Physical Chemistry
ROMPHYSCHEM 17
September 25-27, 2023, Bucharest - ROMANIA

Dear PhD Senior Researcher **Octavian BUIU**,

On behalf of the Organizing Committee, I am honored to inform you that your contribution entitled "*Nanocarbon based hybrid materials for chemoresistive sensing*", authors: *Octavian Buiu, Bogdan Șerban, Cristina Pachiu, Nicolae Dumbrăvescu and Roxana Marinescu* **has been accepted** by the Scientific Committee of **ROMPHYSCHEM 17**.

I am pleased to invite you to give a **Keynote lecture** in the session of the Workshop 8 (Advanced ellipsometric and spectroscopic techniques: applications in environment, energy and sensing).

The conference will be hosted by **The Romanian Academy**, 125 Calea Victoriei, Bucharest.

We express the firm belief that your presentation will bring a significant contribution to the scientific program of the conference and look forward to see you in Bucharest.

Section 8 Secretary,
dr. Hermine Stroescu / drd. Daiana-Georgiana Mitrea
