About the Conference

The International Semiconductor Conference (CAS) organized by the National Institute for Research and Development in Microtechnologies - IMT Bucharest is now at its 46th edition. The conference is a yearly event organized since 1978. In 1991, CAS became an International Conference and starting in 1995, the conference became an **IEEE (Institute of Electrical and Electronic Engineers) event** sponsored by the IEEE EDS (Electron Devices Society).

The CAS Conference has been for years devoted to physics, design, technology and applications of semiconductor devices and materials, including integrated circuits. Since 1997, the Conference profile has been gradually extended to micro- and nano-technologies, including micro- and nanoelectronics, micro- and nanosystems, also nanostructures and nanostructured materials.

In 2023 the CAS conference will take place in Sinaia, Romania, from Oct. 11 to Oct. 13, 2023.

The technical program includes three plenary sessions with 10 invited lectures, as well as oral and poster sessions comprising 91 regular papers.

CAS 2023 is co-located with the 2023 International Conference on Analog VLSI Circuits - AVIC 2023.

CAS 2023 is co-located with the 2023 International Conference on Analog VLSI Circuits - AVIC 2023.

Conference SECRETARIAT

The CAS 2023 Secretariat will be opened on Tuesday, October 11, from 15:00 to 18:00, and daily from 08:30 to 13:00 and from 14:00 to 18:00, during the conference.

SOCIAL EVENTS

CAS 2023 WELCOME COCKTAIL

CAS 2023 "Get-together" Cocktail will be held on Tuesday, October 10, 20:00 h, in Hotel Sinaia Restaurant.

A trip to Cantacuzino Castel in Busteni is scheduled on Thursday, October 12, starting 14:15 h.

TOURISM and ENTERTAINMENT OPPORTUNITIES

The small town of Sinaia, with its famous Peles Castle, formerly the Summer Royal Residence, is a well-known mountain resort in Romania. Sinaia, the so-called "Pearl of Carpathians" (Bucegi chain, with 2500 meters highest altitude) is situated in the Prahova valley and it is the favourite place outside Bucharest for international conferences and high-level meetings.

By foot, by car, by bus or by using cable transportation you can reach very interesting places. One can go to the Peles Royal Castle, from the XIX century, which is the most visited museum in Romania, and to other places of cultural and historical interest, like Pelisor Castle, George Enescu Museum, Sinaia Monastery. The rocky landscape of the Prahova valley is a paradise for mountain climbers.

You may reach the height of 2000 meters by cable car or by car and enjoy a walk, without any special equipment.

A few kilometres North from Sinaia, the Cantacuzino Castle, situated in the district of Zamora, town of Busteni, is open for visit. The castle is surrounded by waterfalls, caves and fountains and is in top castles in Romania in terms of architecture.

The Bran Castle, from the XIV century, recently related to the famous "Dracula", may be visited in a few hours trip.

A number of hotels and restaurants are providing excellent food and entertainment.

Mountain trips near Sinaia

A number of chalets in the Bucegi Mountains may be reached **by car** (Cota 1,400 - elevation 1,400 m, Cuibul Dorului - 2,100 m, Poiana Stanii - 1,300 m etc.).

In other cases, it is a better idea to go **by cabin**: you may take the cabin from Hotel Silva in Busteni (10Km North of Sinaia, by bus, or minibus) and you will reach immediately Babele (the Old Ladies rocks) - 2,206 m, from there you may take (for about two hours) the footpath to Omu - 2,505 m, the highest peak and chalet in the region. An easiest trip from the Babele chalet is to go South, following the footpath to Pietra Arsa - 1,950 m, and then to the cabin station Cota 2,000. The same point may be reached by using another cabin (in two steps), from the centre of Sinaia (behind the New Montana Hotel) - Sinaia - Cota 1,400 and Cota 1,400 - Cota 2,000.

Museums and Entertainment in Sinaia

- **Peles Castle Museum** within a walking distance (15-20 minutes) from Sinaia Hotel. Visiting hours: Wednesday: 10:00-17:00; Thursday-Sunday: 09:15-17:00; Monday-Tuesday: closed.
- **Sinaia Monastery** (giving the name of the entire town) is also close to the New Montana Hotel.
- **Sinaia Casino Palace** situated in the Central Park of Sinaia
- A wide range of trips (by car or by train) on the Prahova Valley, from Sinaia to Poiana Tapului, Busteni, Azuga, Predeal and beyond (Brasov and Poiana Brasov).
