

Announcement

The Romanian Ministry of Research, Innovation and Digitalization is organizing a competition for the position of general manager at the National Institute for Research and Development in Microtechnologies - IMT Bucharest, in accordance with the provisions of Government's Decision no. 576 of August 26, 2016 regarding the approval of the competition Methodology for the position of general manager at the national research and development institutes, as published in the Official Monitor (MO) no. 655 of August 26, 2016, part I.

The National Institute for Research and Development in Microtechnologies - IMT Bucharest is based in 126A, Erou Iancu Nicolae str., R-077190, Voluntari city, Ilfov county, Romania.

The field/object of activity consists of fundamental and applied research of public and national interest in the field of microtechnology, in accordance with the provisions of the Annex to Government's Decision no. 998/2006 for the approval of the Regulation on the organization and operation (ROF) of the National Institute for Research and Development in Microtechnologies - IMT Bucharest, as published in the Official Monitor (MO) no. 701 of August 16, 2006, part I.

The conditions for participation in the competition are presented in Annex 1 to the competition Methodology included in the Government's Decision no. 576/2016.

The necessary structure of the competition file is presented in Annex 2 to the competition Methodology included in the Government's Decision no. 576/2016.

The competition file is submitted online at: <https://selectingmanagers.research.ro>
